## AGENDA

- Welcome
- LCAP Updates
- Title 1 Annual Meeting
- SARC Report
- Important Upcoming Events
- Feedback Survey
- Adjournment

## MINUTES

- Welcomed our education partners and officially opened the Quarter 3 PAC Meeting.
- Specific updates on student and school progress were reviewed connected to our LCAP goals. Parents were excited to see all of the opportunities for our students. One question asked was about our Mental Health services available through Care Solice and support from our school counselors and social workers. One comment received by a parent was to suggest a field trip for parents to experience with their children.
- Educational partners reviewed our Title 1 program and heard the success of our increase in our graduation rate we have already seen in this school year.
- SARC report was introduced and acknowledged. Parents were notified that the copy is available on our website.
- Educational partners were informed that our next PAC meeting is scheduled for April 27, 2023, and that this will be our last PAC meeting of the school year.
- A feedback survey was given to our parents and an opportunity for public comment was given.
- Meeting adjourned.
